CORPORATE TRAINING

Employee Learning & Development Services

OUR SERVICES CORPORATE TRAINING

The successful execution of any corporate strategy can only be made possible by having a workforce equipped with the right knowledge and skillsets, working together towards a common vision.

As part of our end-to-end strategy consulting services, we provide world-class corporate training programmes focused on developing employees' soft and technical skills, as well as enhancing their industry knowledge, through impactful delivery and practical case discussions.

At Quinlan & Associates, we believe mobilising our clients' employees through tailored learning and development solutions is a critical part of translating strategic objectives into tangible outcomes.

■ Soft Skills Training
 ■ Industry & Technical Training

We customise our training workshops based on our clients' specific training needs and circumstances

OUR DIFFERENCE TRAINING APPROACH

We distinguish our corporate training services along 3 key dimensions

1

THOUGHT LEADERSHIP

- Content draws on unrivalled insights from our thought leadership papers and strategy consulting work with our clients
- Workshops place a strong emphasis on case studies to provide real-world applications
- Many of our workshops are interlinked and self-reinforcing

Unique content tailored to current needs of the industry, with clear guidance on how to apply knowledge to drive results

2

HOLISTIC EXPERIENCE

- All trainers possess a mix of training and industry experience, having worked in a wide variety of roles across diverse sectors
- Workshop content and exercises are tailored to our audience's specific roles and circumstances to address real-life, corporate scenarios

Deep understanding of aims and expectations of workshops, with a strong ability to relate content to all areas of business

3

IMPACTFUL ENGAGEMENT

- Workshops focus on interactive exercises and group discussions rather than theoretical lectures
- Emphasis is placed on developing tangible skills and delivering actionable insights
- Trainers include award-winning comedians, TEDx / keynote speakers, and leading emcees

Engaging delivery, focused on creating an interactive and engaging environment, driving participation and learning

WORKSHOPS & CONFERENCES SELECT EXAMPLES

TESTIMONIALS SELECT EXAMPLES

"I greatly appreciate Q&A's end-to-end consulting services. Their follow-up workshops ensured their solution could be put to day-to-day use by our staff. Q&A really deliver strategy with a difference."

Joanne Hon
Former Head of Asia Pacific, Dealogic

"Q&A filled our auditorium with laughter with their humorous take on diversity, harnessing creativity, and how to promote and leverage diversity in one's career and everyday life. Our employees really enjoyed a skills-based workshop on applying humor to help ease tension in everyday work situations."

Women's Business Alliance
Morgan Stanley

"Q&A took the time to understand our audience and objectives, developing a bespoke session that set the tone for our entire programme. We were impressed with their ability to deliver deep industry knowledge on the forces driving disruption, innovation, and transformation through personal experience and case studies. Q&A's insights left a lasting impression on our most senior leaders in Asia Pacific."

Angela Clowry
APAC Brand, Marketing & Communications Leader, EY
